

ZERO TOLERANCE POLICY

First Offense: 2 weeks suspension from all USA / NYSAHA games and practice from date of occurrence.

2nd Offense: 30 day suspension from all USA / NYSAHA games and practices from date of occurrence.

3rd Offense: Suspended from all USA / NYSAHA games, practices and subjected to a Section hearing within 45 days from date of occurrence.

Organization can give more but not less for First Offense. If someone was given more than 2 weeks for first offense it would be doubled. Example: 1st Offense 3 weeks, then the 2nd would be no less than 6 weeks. But not limited to. The Organization can give more if they want.

Report must be sent to the League, Section President and AEP Coordinator so that the person that violates the Zero Tolerance Policy can be kept track of. The organization must check with the Section President or the AEP Coordinator to check if the person that violates this Policy has any prior violations before they do any suspensions.
